QUARTERHORSE
THE HOTTEST VIDEO AMUSEMENT GAME OF THE DECADE

STATE OF THE ART DESIGN
QUARTERHORSE is unique. Its design includes a Laser Video Disc Player which displays **actual quarter mile horse races** for the enjoyment of the players

RACE STORY
Each race has two individual audio tracks called by a professional track announcer thereby providing 120 races for enjoyment

GAME PLAY
QUARTERHORSE is a one or two player game. Either set of controls can be used for one player or both sets can simultaneously be used for two players. Ten horses per race are presented with odds on the "electronic tote board" for player selection. Patron may play from one to ten credits on any one or all entries, then press the "Start" button, step back and watch and hear an exciting quarterhorse race complete with announcer call and crowd reaction. THAR THEY GO!!!!!!!!!!!!

FEATURES
- BONUS ATTRACTION — A "Double Odds" feature, on a random basis, will award the player double the odds displayed on the tote board
- DIAGNOSTIC — Video presentation of various functions for analysis of proper operation
- RELIABILITY
- Battery backup under constant charge.
- Independent Power Supply
- Static Proof Design
- MAINTAINABILITY — Front access to all electronics and essential components
- SECURE CASH SECTION
- CABINET — Stylish design compatible with all decor
- DESIGNED for player comfort and enjoyment.
